HALF-DAY SESSIONS, 9:00am - 12:00pm

3-Year Old Class:

TUESDAY and THURSDAY

This is available for children who are 3 by September 1. This is a dedicated three's class. Our main focus is to invite children into a safe, fun, supportive setting in which to begin to explore the world around them and really begin to develop their social-emotional skills.

3 & 4-Year Old Multi-age Class:

MONDAY-WEDNESDAY-FRIDAY

This is available for children who are 3 by September 1. This is a multi-age class open to children who are 3, 4, and 5 years old. With a multi-age class, we will build on each other's skills, supporting one another and learning from one another. We will explore concepts through theme related instruction. This session meets the child where they are at developmentally and encourages progress towards Kindergarten readiness.

4-Year Old Prekindergarten class:

MONDAY through THURSDAY with a FRIDAY add-on option

This is available to children who are 4 by September 1. This is for children who will be entering kindergarten the following school year. We use theme-based instruction, delving into concepts four days a week (with a fifth day option!). We provide a wide range of experiences and opportunities to familiarize children with the school environment and build on the child's understanding of his or her world, while developing a readiness for school.

FULL-DAY SESSIONS (child must be enrolled in morning session), 9:00am - 4:15pm

Ages 3 through Pre-K

After a child's morning preschool session, we provide childcare in the afternoon for children needing full-day care. Children eat lunch, have large muscle experiences, enjoy storytime and nap or rest time, snack, and additional small and large group play opportunities. Childcare is available on school days only.
